Hi, Caroline!

I'm so excited about my new apartment. I like it because it has a lot of windows, and it's very sunny. It's next to a busy street, so there's some noise, but not too much. Best of all, it has a nice kitchen where I can put my big table and chairs. This is great because you know I love to cook, and now I can invite my friends to dinner parties. I have some furniture, but not a lot. I need to buy a few more things: shelves, an armchair, and a coffee table. There's only one thing I don't like – there's only one closet! Where am I going to put all my clothes?

Anyway, I love it here! When are you going to visit?

Andrea
