F

1 c - Although little is known about the artist's early life, a lot has been found out about his later life.

2 e - Many people believe that capital punishment is a deterrent to serious crime, though it actually makes little difference to the crime rate.

3 b - We usually consider it healthy to eat lots of fruit, whereas too much can produce an excess of acid in the stomach.

4 g - I enjoy having people stay, though I always appreciate the peace when they have gone.

5 a - The main medium of communication on the Internet is English, although many web sites now operate in other languages.

6 h - While Iain Banks's early novels were considered quite strange, his later books are more mainstream and accessible.

7 f - I tend to drink white coffee, whereas my husband prefers black.

8 d – While global warming is often considered the main factor in current climate fluctuations, climate change has long been a feature of the Earth’s development.
